# Putting a women's lens on Canadian health data

Find out how to use this **new website** to access women's health data

**Online  
October 17!**

*The Source/La Source is a bilingual, web-based tool that will assist researchers, policy makers, health planners, and students identify sources of health data for women and girls.*

## **Interactive workshop**

Wednesday October 17  
2 pm and 3:10 pm

## **Official launch presentation**

Thursday October 18  
3:30 pm

In Prince George at the Coast Inn Hotel  
770 Brunswick Street

Please RSVP to [mdussault@cw.bc.ca](mailto:mdussault@cw.bc.ca) by October 15th

The Source / La Source is funded by the Women's Health Research Network ([www.whrn.ca](http://www.whrn.ca)) one of eight Michael Smith Foundation for Health Research Health of Population Networks.
